

INDEPENDENT AUDITOR'S REPORT

**TO THE GENERAL ASSEMBLY
OF TRANSPARENCY INTERNATIONAL BULGARIA
SOFIA**

Report on the financial statements

We audited the enclosed financial statements of Transparency International Bulgaria, Sofia, comprising of the balance sheet at 31.12.2015, the income and expenditure statement, the equity statement, the cash flow statement for the year ending on that date and the summary disclosure of the important accounting policies and the other explanatory notes.

Responsibility of the Management for the Financial Statement

The responsibility for the preparation and reliable presentation of the financial statement, in accordance with the Accountancy Act and the National Financial Reporting Standards for Small and Medium-sized Enterprises, lies with the management. This responsibility includes: setting up, introducing and maintaining an internal control system related to the preparation and reliable presentation of financial statements which are free from material inaccuracies, deviations and inconsistencies, regardless of whether they are due to fraud or error.

Responsibility of the Auditor

Our responsibility is to express an audit opinion on these financial statements, based on the audit conducted by us. Our audit was conducted in compliance with the professional requirements of the International Auditing Standards. These standards require compliance with the ethical requirements and stipulate that the audit shall be planned and performed in such a way that we can obtain reasonable assurance that the financial statement does not contain material inaccuracies, deviations and inconsistencies.

The audit includes implementation of procedures aiming to obtain evidence of the amounts and disclosures presented in the financial statement. The selected procedures depend on the auditor's judgment, including the risks assessment of material inaccuracies, deviations and inconsistencies in the financial statement, regardless of whether they are due to fraud or error. In the course of carrying out these risk assessments the auditor takes into account the internal control system related to the preparation and reliable presentation of the financial statement by the organization with the purpose to elaborate appropriate audit procedures without expressing an opinion on the efficiency of the internal control system of the organization. The audit also covers an assessment of the relevance of the accounting policies applied and the rationality of the accounting estimates made by the management, as well as the overall presentation of the financial statement.

We believe that the audit conducted by us gives sufficient and reasonable grounds for the audit opinion expressed by us.

Audit Opinion

In our opinion, the financial statement gives a true and fair view, in all material aspects, of the financial situation of the organization at 31.12.2015, as well as of the financial results from its operations and its cash flows for the year then ended, in compliance with the National Financial Reporting Standards for Small and Medium-sized Enterprises.

Others

The financial report of TI-Bulgaria for the year of 2014 was audited by another auditor who has expressed an unmodified opinion about it on May 25, 2015.

Report on other law and regulation requirements

In accordance with requirements of Article 40 of Law for Non-profit Organizations, Transparency International Bulgaria has prepared an Annual Activity Report, which was also presented to us. According to us the historical financial information, presented in the Annual Activity Report of the Association, prepared by its Management, corresponds in all aspects to the financial information, included in the financial reports audited by us. The management of Transparency International Bulgaria bares the responsibility for the preparation of the Annual Activity Report.
